Hawaii Tour Information

Semicircular Hanauma Bay, located on Oahu's windward coast, is a spectacular tropical paradise that sports a half-mile of perfect white-sand beach backed by exotic palm trees. Once a favorite fishing spot for Hawaiian royalty, this extinct volcanic crater is frequented by spotted eagle rays, turtles and more than 450 species of tropical fish including the Hawaii state fish, the Humuhumunukunua-pua'a and is now a federally-protected wildlife preserve. Hanauma Bay Dive Tours offers a variety of exciting experiences within this pristine bay, including Discover Scuba, Snuba (an unique, patented shallow water diving system, that bridges the gap between snorkeling and scuba diving) and Snorkeling tours. Hanauma Bay Dive Tours also offers a swim with wild dolphins activity and snorkeling at some of the best reefs on the leeward coast of Oahu
